

# Secret Plymouth – Plumtown

A WillCycle.com Secret Cities route

Cycling is fun, and Secret Cities route guides are simply a good excuse to get on your bike, and go explore parts of the city (or town) you may otherwise never have known even existed.

The bingo card is just a bit of fun, turning the ride into something like a mini treasure-hunt, and giving you reason to pay attention to what's around you. Secret City rides are intended to involve plenty of stops.

## Bingo Card

See if you can find all six! Some are easy, and some are more challenging. If you get a full house, why not share a photo of your bingo card on social media?
